STATUTORY COMPLIANCE

Security Solutions & Manned Guarding

Industrial & Commercial Guarding

- Armed and unarmed security personnel for 24/7 site protection
- Access control, material in/out registers, and visitor verification
- Perimeter patrols and deterrence for large manufacturing plants
- Fully vetted personnel with police background clearance

VIP Escort & Close Protection (PSO)

- Elite Personal Security Officers (PSOs) for corporate dignitaries
- Route surveillance, advance reconnaissance, and convoy security
- Discreet, armed professionals with defensive driving capability
- Crisis-tested personnel trained in threat neutralization

Quick Reaction Teams (QRT)

- Mobile patrol units stationed near key industrial clusters
- Sub-15 minute emergency response time across urban corridors
- Trained in civil unrest control, perimeter breach handling & strikes
- Equipped with two-way radio comms & tactical gear

Electronic Surveillance & Access

- IP CCTV installation, thermal cameras, and night-vision monitoring
- Biometric attendance, RFID vehicle boom barriers, and turnstiles
- Fire alarm, glass break, and intrusion sensor integration
- 24/7 Command Centre monitoring with automated incident alerts

Mechanized Facility Management & Housekeeping

Mechanized Housekeeping

- Ride-on industrial scrubbers, sweepers, and high-pressure jet washers
- Single-disc buffing, marble polishing, and epoxy floor maintenance
- Terminal disinfection & sanitization for healthcare and pharma sites
- Diversey / Buzil certified eco-friendly cleaning chemicals

Horticulture & Campus Upkeep

- Corporate lawn maintenance, hedge sculpting, and tree pruning
- Seasonal flowering plantation and corporate indoor plant rotation
- Organic composting, garden irrigation, and weed control
- Commercial landscape design and green cover rejuvenation

Integrated Pest Management (IPM)

- HACCP-compliant, odorless misting and gel treatments
- Targeted eradication of termites, rodents, mosquitoes, and roaches
- Pre-construction and post-construction anti-termite treatments
- Comprehensive treatment schedules with digital compliance logs

Corporate Support & Handyman

- Executive pantry attendants, cafeteria service staff, and setups
- Office runners, dispatch assistants, and document management
- First-line electrical, plumbing, and HVAC preventative upkeep
- Multi-skilled maintenance teams on call for facility repairs

100% Statutory Compliance — Total Principal Protection

✓ EPFO & ESIC Covered

100% workforce enrolled with monthly PF and ESI returns filed on time. Copies of payment challans submitted with every invoice.

✓ Minimum Wages Act

Strict adherence to Central & State minimum wage scales across skilled, semi-skilled, and unskilled categories with signed wage sheets.

✓ 100% Bank Remittance

Salaries deposited directly into employee bank accounts via NEFT/RTGS by the 7th of every calendar month — zero cash payments.

✓ CLRA Registered

Fully compliant with Contract Labour (Regulation & Abolition) Act, 1970 with required state licenses and Form V submissions.

✓ Police Verified

Thorough background, Aadhaar KYC, and local police verification completed for every security guard and facility attendant.

✓ Quality Management

Certified under ISO 9001:2015 with formal monthly quality audits, site checklists, and rapid client grievance resolution.
